2. The Town of Inglis has successfully completed the FY 2022-2023 Budget Season and the Town of Inglis Commission approved a reduction in millage for the Calendar Year 2023. Millage was dropped from 5% to 4.5312%. Residents should expect to see a small increase in taxes due to the increase in property values set by Levy County Property Appraiser. Town Commissioners and Town Staff would like to thank all residents that attended budget workshops or Public Hearings. Next Budget season, although it seems quite a ways off from now, is right around the corner and preparation is key. A schedule will be prepared and presented at the next Commission Meeting regarding FY 2023-2024 Budget Season. This schedule is being provided early to better prepare everyone for the FY 2023-2024 Budget. Any thoughts or ideas are greatly appreciated.
