RE: Truth in Millage (TRIM) Certification

Dear Ms. Logeman:

The Department of Revenue has reviewed the millage certification documents that your taxing authority submitted. The Department has found no violation of the certification requirements in subsections 200.065(1)-(4), (6)-(12), (14), and (15), Florida Statutes, and therefore accepts the certification as meeting the stated requirements.

The Department has also reviewed the maximum millage levy calculation final disclosure documents your taxing authority submitted. The Department's review included documents relating to the millage levying processes and the total taxes levied by your principal taxing authority and any dependent special districts and MSTUs (for counties). Based on these documents, the Department has determined that your taxing authority is in compliance with the maximum total taxes levied requirements, and thus the maximum millage levy requirements, of section 200.065(5), Florida Statutes.

Sincerely,

Rene Lewis, Program Director
